

Cardboard

For example: Shipping boxes, cereal boxes, egg cartons, paper towel and toilet paper rolls

Recycle Better tips: Flatten the boxes to save room in your bin. Make sure everything is clean and dry. No waxy coatings, please!

Paper

For example: Office paper, newspaper, paper bags, magazines, junk mail

Recycle Better tips: Everything should be clean and dry. Staples and envelope windows are OK. No books please! (Try donating them instead).

Plastic Bottles, Jugs, Tubs, & Lids

For example: Plastic drink bottles, milk jugs, yogurt cups, tubs and lids, shampoo bottles, etc.

Recycle Better tips: Make sure everything is clean and dry. To save room in your bin, squish the bottles. Put the caps back on so they won't slip through the cracks in our equipment. No bags or other plastics please! (Bags can often be returned to your grocery store).

Metal Cans

For example: Soda and beer cans, soup and vegetable cans, foil

Recycle Better tips: All must be empty, clean, and dry. Ball up your clean foil. No miscellaneous scrap metal items please! (Take those to a scrap yard)

Glass Bottles & Jars

For example: Beer bottles, other beverage bottles, pickle jars

Recycle Better tips: All containers must be empty, clean, and dry. No pyrex, ceramics, or window glass please! (Broken items belong in the trash; donate unbroken items).
