Special Budget Workshop

The Board of Trustees of the Village of Greenwich held a Special Meeting for the purpose of adopting the 2024/2025 budget at the Community Center, 6 Academy Street in the Village of Greenwich. Present were Mayor Hurley, and Trustees Moore, Grimmke, Trustee Robinson (late arrival), Treasurer Clothier and DPW Superintendent Smith. Trustee Vandewater was absent.

Mayor Hurley opened the meeting at 6:03 pm.

Tractor -Mayor Hurley asked DPW Supt Smith why the lowest sidewalk tractor quote was not the one he recommended buying. His answer was the lowest tractor quote was for a tractor which is too large to maneuver the sidewalks. These are state contract bids. He would like to split the cost between the DPW Reserves

Motion to approve this purchase made by Trustee Grimmke, seconded by Trustee Moore and carried by all.

Water Tower Road washed out last night again with the heavy rain. Trustee Grmmke suggested filling the ruts with 2's and 3's which will allow the rain to drain without taking the stone with it. Just to buy some time. Supt Smith has an estimate of \$23,000 for paving the Village-owned portion of the road, which is just past the water to the tree line at the bend in the road. The paved portion would be 900' x 10'. Mayor Hurley pointed out that the Village put \$15,000 worth of stone on the road last summer, which is now gone. He will check with Peckham to see if they have a County bid. He will also look into the feasibility of using CHIPS. Mayor Hurley will meet with the resident this week to discuss. The Village will do some ditch work as well.

Request from Kathy Nichols-Thompson to light the gazebo purple in honor of Alzheimer's Week for a couple of weeks in June. Approved.

Resolution No13 of 2024 to Adopt 2024/2025 made on a motion by Trustee Grimmke, seconded by Trustee Moore and carried by all.

Meeting was adjourned at 6:24 on a motion by Trustee Moore, seconded by Trustee Grimmke and carried by all.

Respectfully Submitted,

Jane Dowling
